

SUCCESSFUL TOGETHER - INTERAGRI BULGARIA 10 YEARS ANNIVERSARY EVENT

Together with more than 300 customers, partners and employees of the company, INTERAGRI Bulgaria celebrated its first 10 years. The event took place at the State Opera Stara Zagora during the exhibition BATA AGRO, which this year was held from 15 to 19 May.

"Thank you to all the guests of our celebration on the occasion of the 10th anniversary of INTERAGRI! Thank you to all partners for their support and perseverance in this journey! Thanks also to the INTERAGRI team! And let us wish to continue being SUCCESSFUL TOGETHER!", greeted the guests from the stage Mr. Daniel Minev, Executive Director of INTERAGRI Bulgaria.

The guests of the celebration had the opportunity to enjoy a unique experience, marked by a real delight for all senses with a specially selected first-class wine, cocktail and official part, the culmination of which was a performance of the opera in four acts "La Bohème" by Giacomo Puccini, held on stage especially for the guests of INTERAGRI. This is one of the key performances in the repertoire of the opera, with a number of guest musicians and soloists from the world stage. The soloist who played Mimi is Tamara Kalinkina, who worked for many years at the Kiev Opera, participated as a soloist on a number of world stages, including that of the Vienna Opera.

Amongst most important guests of the event, were the young talented artists from the School of Crafts and Arts "Dimitar Ekimov", Rusalya village, whose paintings were put up for auction. Thanks to all participants in the event, funds were raised to support the future development of the school premises. Socially disadvantaged children from all over Bulgaria study at the school, it is self-funding, In addition to the regular school program, extended study of applied arts and various types of crafts is also included. During the event, in addition to the large canvases, all ceramics, stained glass and paintings exhibited at a specially created charity stand were redeemed. More about the school and their cause, which INTERAGRI and partners stood for, you can learn on the website: <https://www.rusalya.org>

During the event, a video was premiered, briefly gathering key moments in the history of INTERAGRI Bulgaria in this 10-year journey. You can see the short film here: <https://youtu.be/SB98krTmecY>
